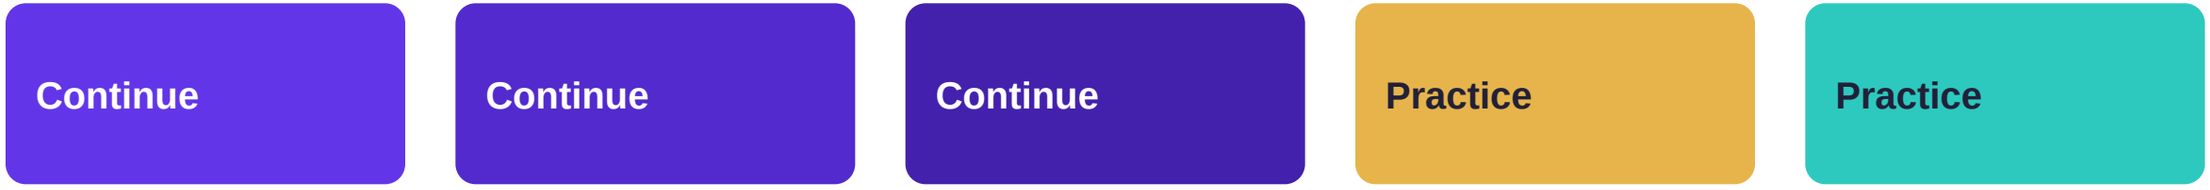
Interaction and feedback

Selection, correctness, progress and errors must have distinct meanings.



PRIMARY / DEFAULT | HOVER | PRESSED | GOLD FILL | TEAL FILL

Secondary actions

Violet outline + text; hover Violet 50; pressed Violet 100. Underline text links.

Focus and forms

3px visible focus outline + 3px gap. White focus ring on violet surfaces. Never clip.

Input border: Neutral 500. Placeholder: Neutral 600. Keep labels visible.

Quiz sequence

Selected (before submit) -> Correct (after check) / Try again (after check)

Disabled controls need an explanation; loading preserves label + progress indicator.

Semantic colour roles and accessibility

Feedback colours are separate from Gold and Teal brand colours.
